

ACT Named as Top Business by DiversityBusiness.com for 3rd Consecutive Year

News Release Issued December 7, 2006 BERWYN, PA.—

ACT was named a Top Business in the United States by Diversity Business for a third consecutive year. Diversity Business annual Small Business Survey is used by the Fortune 500 to identify suppliers committed to expanding multiculturalism into daily business practice.

“Our people are at the heart of our success,” commented Joseph Lembo, CEO of ACT. “We are committed to developing the best talent from within every community we work in. Over 70 percent of our current managers were promoted into their current positions. We know diversity in the workplace is good for business.”

Over 500,000 businesses in the United States had the opportunity to participate in the DiversityBusiness.com 7th annual survey. The award is based on annual gross sales.
